ORDER Nº 02/2021

Special access and admission competition for international students at ULHT - Academic year 2021/2022

1 – For the academic year 2021/2022, the special competition for access and admission of international students at Universidade Lusófona de Humanidades e Tecnologias takes place under the International Student Regulation - Regulation Nº 757/2018, published in *Diário da República*, 2nd series, nº 215, of 8th November.

2 - Pursuant to paragraph 8 of Article 7 of Regulation No. 757/2018, of 8th November, the Evaluation Jury is appointed, which is responsible for producing and approving the written examination models, defining evaluation criteria and supervising the resulting examination service, the composition of which is as follows:

- a) Vice-Rector, who presides;
- b) A PhD-holder with intervention in the area of study of the tests that verify the specific academic qualification;
- c) A PhD-holder in the field of education sciences.

3 - The appointments relating to items (b) and (c) of the preceding paragraph are set out in Annex 1 to this Order.

4 - For the purpose of verifying the specific academic qualification, annex 2 is added, which contains the 1st study cycles and integrated master's degrees taught at Universidade Lusófona de Humanidades e Tecnologias and the corresponding entrance tests/ internal written tests required.

5 - In the special competition for access and admission of international students, for the academic year 2021/2022, the verification of the knowledge of the language in which the teaching will be carried out is demonstrated, in accordance with paragraph 3 of Article 7 of Regulation Nº 757/2018, of 8th November, preferably by one of the following ways:

- (a) the language of the candidate's academic qualification is the language of attendance for the study cycle he/she is applying to;
- (b) presentation of a certificate proving independent use of the language concerned (level B2 - Common European Framework of Reference for Languages).

6 – Should it prove impossible to verify the knowledge of the language by any of the means referred to in the preceding paragraph, a written test shall be carried out.

7 - In compliance with paragraph 6 of Article 7 of Regulation Nº 757/2018 of 8th November, the verification of the conditions for admission to the respective study cycle is done only by documentary evidence:

- a) For Brazilian students who prove they hold a qualification that allows access to higher education, such as, for instance, the scores obtained in the past three years in the Brazilian National High School Exam - ENEM, will be recognized and weighted for the purpose of the application grade, as laid out in annex 3;
- (b) for students who have proven attendance of higher education or hold a higher education degree from their country of origin and when the language of their academic qualification is the language required for attending the study cycle which they are applying to;
- (c) The verification of admission conditions for applicants covered by item (b) must show, in connection with the respective scientific field, knowledge of level and content equivalent to that of the subjects of the entrance tests defined for the study cycle in question, within the framework of the general access and admission regime;
- (d) The verification provided for in item (c) shall be carried out by the Jury appointed in accordance with Annex 1.

8 - In the case of students who have proven attendance of higher education or hold a higher education degree from the country of origin, but the language of their academic qualification is not the language required for attending the study cycle they are applying to, the verification of admission conditions to the respective study cycle is done by documentary evidence, but this does not waive the need to prove knowledge of the language in which the teaching will be carried out by one of the following ways:

- a) Submission of a certificate proving independent use of the language concerned (level B2 - Common European Framework of Reference for Languages);
- b) Conducting a test at ULHT.

8.1- For the purpose of verifying admission conditions, the procedures defined in items c) and d) of paragraph 7 apply to students referred to in paragraph 8.

9 - Students who have attended higher education or hold a higher education degree from their country of origin must specifically submit the following documents when they submit their application:

- (a) certificate issued by a competent authority attesting to the attendance or completion of a degree in their country of origin;
- (b) certificate of the Portuguese secondary education or equivalent.

10 - The final application score is calculated by the following formula: $CFC = CVQ$, in which:

- CFC is the final application score;
- CVQ is the score obtained in the test to verify academic qualification, whether this score is obtained by means of documentary evidence (application score obtained by Brazilian students via ENEM - National High School Exam) or by conducting written tests.

11 - In the event that the applicant has attended or completed a higher education degree in their country of origin, the final application score shall be calculated by the following formula $CFC=CES$, in which:

- CFC is final application score;
- CES is the score of the Portuguese secondary education or equivalent.

12 - Within a maximum of 3 working days after the publication of the list of candidates and their scores, which contains the score of the test, students may submit a re-grade appeal to the competent services.

13 - The President of the Jury, upon submission of a re-grade appeal, appoints a committee composed of the PhD-holder responsible for the study area, identified in Annex 1 to this order, and by another lecturer in the disciplinary area of the test taken, who shall be responsible for reviewing the test, maintaining or altering the score assigned.

14 - In case of a tie, the President of the Jury has the casting vote.

15 - The committee shall carry out the test review within a maximum of 10 working days from the date of its appointment.

16 - The commission's decision is not subject to appeal.

17 - The request for test re-grade is subject to the payment of a charge defined by the instituting entity of ULHT and the amount is reimbursed should the student's appeal be considered valid.

18 - All Documents related to the verification of the fulfilment of the admission conditions, including the written examinations taken, are part of the student's file.

This Order updates and revokes the Rector's Order N^o 3/2020, of 13 January.

Lisbon, 6 January 2021.

The Rector
Professor Mário C. Moutinho
